***"Woodwind" is located on the dock on the waterside of the hotel. Walk around the right side of the hotel to the entrance to the dock where you'll see a "Woodwind Sailing Cruises" sign.***

**Woodwind is located at the corner of Compromise Street and St. Mary's street. On the Dock at the Annapolis Waterfront Hotel.**

## ***Parking ...***

There is a parking lot (**Yacht Basin Parking**) on the right-hand side of the Marriott that charges by the day. Space is very limited.

There is metered parking on the street. If there are no meters, assume it is residential parking with a time limit of 2 hours. Read all signs!

Look for the Annapolis Waterfront Hotel on 80 Compromise St. - we are on the docks behind the hotel (the Hotel is the ONLY 5-story white building in Annapolis). You can access the dock through the parking lot to the right of the hotel

**Free parking:** In Eastport (other side of bridge leading from Compromise Street) there are no residential parking limits. If you see a space on the street, you can take it. No parking on red or yellow curbs. And on Fourth Street there might be signs of how long you can park there. From Eastport, you can walk a short couple of blocks or take a water taxi from Carroll's Creek Cafe or the Chart House Restaurant.

**Everything is in walking distance!!**

*"Woodwind" and "the Waterfront" does not validate or reimburse for parking or parking tickets.*
